First Episode of *The Story of the Jews*
at the Vorspan home

Congregation Shir Ami presents **Rabbi David Vorspan** hosting and discussing the Five part PBS documentary award winning series created by **Simon Schama** in his home "theater" in Woodland Hills. **It is free to our members on a "first come, first serve" basis.** This first episode covers the biblical period.

Simon Schama presents this epic series exploring the extraordinary story of the Jewish experience from ancient times to the present day. Both deeply historical and utterly contemporary, this is a compelling film about distinctiveness and difference, separation and isolation, tolerance and prejudice. It is also a celebration of the ways in which Jewish thought, imagination, and achievement have transformed the world for us all.

Simon Michael Schama, CBE is an English historian specializing in art history, Dutch history, and French history. He is a University Professor of History and Art History at Columbia University, New York. He has won several awards for his varied historical books and productions.
