Our Granddaughter Named at Shabbat Service

by Alan Burman

The **Burman** and **Starin** families thank the congregation for joining us on November 5, 2022 when our precious **Nora Sloane** entered the Jewish community as **Shoshana Avital**. On that day our little one placed her link in the chain going back to Avraham Avinu, ensuring the Jewish people one more link into the future.

For me, one of the sweet moments was introducing Nora to **Harvey Cohen**. The youngest and oldest members of our congregation family. They are 100 years and 3 months apart. Let that sink in for a moment.

Thanks to **Sheilah, Helga, Stan, Phyllis, Claire, and Karen B.** for their help. Special thanks to Rabbi Vorspan, who married the couple and now
